Oh –3 more possible questions ...

Q. How many allegations of a loss of scientific integrity have been investigated?

A. Since 2012, the ISO has received #### allegations, ## informal (anonymous) and ## formal (not anonymous).

Q. Has the SIO ever agreed with an allegation of a loss of Scientific Integrity.

A. Of the ## allegations evaluated, ## were dismissed as not being a loss of scientific integrity and ## were confirmed as a loss of scientific integrity.

Q. How has EPA punished people who violate the principles of Scientific Integrity?

A. The SIO and review panel agree to a set of recommendation that are provided to the DSIO of the involved program to act upon.
